Append approval date after the approval name

What it does:

When a document is programmed to be approved, once approved the name of the person approving the document appears. This allows you to add the approval date after the name.

Adding the table entry

Menu | Tables | Generic Validation Tables | Defaults
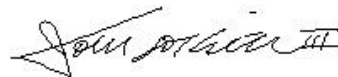

Code: ADDAPPROVALDATE
Short description:* Yes
Long description:* Append approval date after the approval name
Active:* ● Yes ○ No
Notes:
The short description should be 'yes' if the approval date should be appended to the name of the person approving the document. It should be 'No' if the date should NOT be appended. If this code is inactivated, the date will not be appended.
