

# Assessment Level For Each Assessment Type

## What it does:

---

Allows you to add different levels for the different types of assessments. If you're doing a Detention Release Assessment, the levels may be Detail, Release with Conditions, Release.

## Adding the table entry

---

Menu | Tables | Generic Validation Tables

---

Code: RWC  
Short description:\* Rel Conditions  
Long description:\* Release with Conditions  
Assess Type: DRAI  
Active:\*  Yes  No

- **Code** – Choose a code. It can be 1-4 characters.
- **Short description** – The short description can be up to 15 characters
- **Long description** – The long description is what the users see, it can be up to 50 characters long.
- **Assess type** – Should match the code from the Assessment Type table. If it is blank, it will be available for all assessment types.

Click the **Update** button to save your work.

---
