

Annual Quest User Meetings

Each year the Quest counties will get together to review the changes made to Quest over the last year, to learn best practices, and to request their "wish list" items. This is a fun time to meet and socialize with your colleagues, the staff at Gottlieb & Wertz, and the staff at GKT Consulting.

2021 Annual Quest User Meeting

The Quest Lady

This meeting was held virtually due to Covid restrictions.

This year also introduced the "Quest Lady"
She will hopefully make this presentation more fun and more informative, giving you helpful tips about what these changes mean to your system.

This meeting was held in Franklin, TN on September 9, 2021.
