

COUNTY

What it does:

This table indicates your county number. This is used for generated case numbers and also used as the default county when adding an address.

Adding the table entry

Menu | Tables | Generic Validation Tables | Defaults

Code: COUNTY

Short description:* 02

Long description:* Allen

Active:* Yes No

Notes:

County identifier as defined by the state for use in generating cause numbers, etc.
This will also be used as the default county when adding an address.
