

Official court required on case detail screen?

What it does:

Allows you to make the assigned/home court a required field when a case is added.

Adding the table entry

Menu | Tables | Generic Validation Tables | Defaults

Code: COURTREQUIRED

Short description:*

Long description:*

Active:* Yes No

Notes:

Controls whether the official court is required on the case detail screen. If 'Y' is specified, the official court must be specified. If 'N' is specified, the court is optional.
