

Case Attribute Inquiry

Report Description:

This report allows you to search for specific case attributes and will provide you with a list of names and cases where that attribute can be found. You can limit the report in many ways.

Running the Report:

You can run this report filing in any of the criteria. The only field required is the attribute section.

Case Attribute Inquiry
Enter report criteria and press "Submit"

Race:

Ethnicity:

Sex:

Born on or after date: 

Born on or before date: 

Case active on or after date: 

Case active on or before date: 

Case started on or after date: 

Case started on or before date:
