Tho	337097	Black	Male	3/4/2003	76	180	Black	Brown	A	Mike Kreiger (FWPD)

6 records found.

## Where the data comes from:

---

The report searches for those people with a secure facility stay location, then checks the filed statutes in the case listed in the reasons section of the facility stay. If there is a felony level filed statute in any of those cases it will list the person on this report. If the filed statute is a felony level but has not yet been disposed, it will not report on that person.

## Report Settings:

---

There is no special set up required for this report.

```
class=equest.app.reports.DetainedFelonies  
jobQ=batch
```

```
# -- Optional Report settings --
```

```
#report.notify.userid.1=xxxxxx
```

```
# <report.notify.userid.n.method> For any specified userID to receive the output, this option allows the output to be emailed to the user.
```

```
#report.notify.userid.1.method=email
```

```
#report.notify.userid.2.method=email
```

```
# When emailing, the userID can be the email address or an eQuest userID. If a userID, then eQuest will search in eQuest for the email address.
