Entry type

What it does:

Allows you to add the different types of identity notes your county can add to the person detail screen.

Adding the table entry

Menu | Tables | Generic Validation Tables | EntryType

- **Code** – Choose a code. It can be 1-4 characters.
- **Short description** – The short description can be up to 15 characters
- **Long description** – The long description is what the users see, it can be up to 50 characters long.

Click the **Update** button to save your work.

There is a template function that will print the notes from a specific entry type.
