Event disposition

What it does:
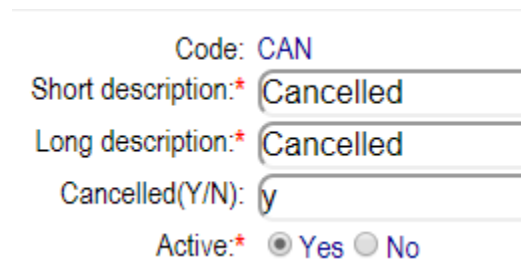

Allows you to add options for how an event was disposed, for example was it rescheduled, cancelled, held, etc.

Adding the table entry

Menu | Tables | Generic Validation Tables |

- **Code** – Choose a code. It can be 1-4 characters.
- **Short description** – The short description can be up to 15 characters
- **Long description** – The long description is what the users see, it can be up to 50 characters long.
- **Cancelled (Y/N)** – Cancelled should be Y if the event will not be held, for whatever reason.

Click the **Update** button to save your work.
