# END OLD OPEN SCHOOLS ATTENDED

## Report Description:

This report will change the status of the schools attended section to "unknown" if it still shows "attending" and the status date is more than 2 years old.

## Running the Report:

If you put in a status date, the report will look at that date for the status date, otherwise it will use the date 2 years prior to today.

**End Old Open Schools Attended**
**Enter report criteria and press "Submit"**

Status before date: [                ]

NOTE: This will change all school statuses that mean 'Attending' to 'Unknown' if status date was set before the date above OR 2 years have passed since the status date was set if no date is entered above.
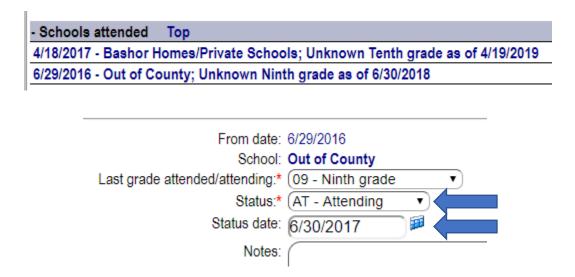

This should be set up as a scheduled job.
