Event audit

Report Description:

This report will list every event, court and/or non-court events, completed and/or incomplete only scheduled for the date range. It will list the event names in alphabetical order and report that person's dob, case number, type and date of the event, event disposition and the name assigned to the case that matches the "attorney role" defined. This is a great way to ensure all events get disposed.

Running the Report:

Enter the beginning and ending dates. The report will look at events within that date range.
