Cases 8, 5, and 3 were selected as part of this document.

FF CR HIST/02 – Format criminal history – open cases

Formats the criminal history of open cases for each identity tied to the document. Any personID/caseID that is tied to the document will NOT be included in the history nor will any 'Closed' cases.

File #: 1 – Laura Ingalls

Case	Date	Count	Description	Result	Result date	Agency	Identifying info

This produced no results because I tied all the open criminal cases to the document. Had I only attached the latest case (case 8), this would have listed cases 5 and 3.

FF CR HIST/03 – Format criminal history – document cases

Formats the criminal history for each identity tied to the document. Only personID/caseID that is tied to the document will be included in the history.
