

# FTA court events statistics

## Report Description:

---

The report lists the number of events that were scheduled during the time period and the number of those events that had an event disposition that means failed to appear. It will list this by age, case type, race, and sex of the event names. It will provide it for all courts as a total, then break it down by the different courts.

## Running the Report:

---

Enter the beginning and ending date.

### FTA Court Events Statistics

Enter report criteria and press "Submit"

To date:\*  

## The Report:

---

*All court events by case type	All events	FTA events
CS	124	15
CUST	109	0
DN	114	0
JD	263	7
JS	92	2
OTH	1	0
PAT	6	0
PO	1	0
PPP	11	0
VIS	15	0
Total *All court events by case type	736	24

## Where the data comes from:

---

The report searches all events scheduled during the date range, then searches those events for an event disposition that means failed to appear (FTA) as defined in the report settings as “[fta](#).”
