CHARGE(S):

**VIOLATION OF JUDICIAL DIVERSION - ADJUDICATORY/DISPOSITIONAL ORDER
AND COMMITMENT TO DCS**

This matter came on to be heard on _____ day of _____, 20____, before the Honorable _____ upon a Violation of Judicial Diversion Petition filed by _____.

Those present were _____

The Court, having considered the testimony and evidence presented and the entire record, finds as follows:

- The child was advised of the charge(s) against him/her and of his/her right to a hearing and an attorney. The child was also advised of his/her right to appeal this matter. The Court finds that the meaning and effect of these rights have been fully explained to him/her.

- Reasonable efforts were made to prevent the child's removal from the home, which include: _____
- It was reasonable to make no efforts to maintain the child in the home based on an assessment of the family and the child's circumstances that include: _____
- Reasonable efforts to prevent removal were not required because

 - The current offense(s) for which the child has been adjudicated delinquent and is subject to disposition would constitute a *felony* if committed by an adult.
 - The current offense for which the child has been adjudicated delinquent and is subject to disposition would constitute a *misdemeanor* if committed by an adult; AND the child has previously been adjudicated delinquent for two (2) or more offenses arising from separate incidents that would constitute either a felony or misdemeanor if committed by an adult, including adjudications in other jurisdictions that, if committed in this jurisdiction, would constitute a felony or misdemeanor.

- There is clear and convincing evidence that the child is an **unruly** child, and the Court has determined that the child is in need of treatment and rehabilitation and meets the criteria for commitment to DCS because:
 - The child has *previously been adjudicated* for two (2) or more offenses arising from separate incidents that would constitute an unruly offense, or a felony or misdemeanor if committed by an adult, including adjudications in other jurisdictions that, if committed in this jurisdiction, would constitute a felony or misdemeanor.
 - The Court finds by clear and convincing evidence that the child is in *imminent risk of danger* to the child's health or safety and *needs specific treatment or services that are available only if the child is placed in the custody of the Department of Children's Services in that _____.*
 - This matter was referred to the juvenile-family crisis intervention program and it has been certified (in writing/through sworn testimony) that no other less drastic measure other than court intervention exists, pursuant to T.C.A. § 37-1-168.

It is, therefore, **ORDERED, ADJUDGED AND DECREED** that:

- The child is found guilty by the Court of the following offense(s): _____
- The child is a **DELINQUENT** child and is in need of treatment and rehabilitation within the meaning of Title 37, Chapter 1, Part 1, of Tennessee Code Annotated, for the reasons set forth above.

- The child is an **UNRULY** child and is in need of treatment and rehabilitation within the meaning of Title 37, Chapter 1, Part 1, of Tennessee Code Annotated, for the reasons set forth above.

Case No. _____

_____ DOB: _____

A Child Under 18 Years of Age
(at the time of the offense)

CHARGE(S):

ACCEPTANCE OF GUILTY PLEA

I have received a copy of the petition(s) against me and discussed it with my parent/guardian or attorney. I understand the charge(s) against me in the petition. I have been told that if the Judge finds the charge(s) to be true, I can be sent to the custody of the State of Tennessee for an indefinite period of time or until I am 19 years old.

I understand that I have the right to plea not guilty to any of the charges, and if I plead not guilty, I have a right to a full hearing. At that hearing I have the following rights: 1) to have a lawyer, 2) to be present during the hearing, 3) to present my own testimony and witnesses, 4) to cross-examine any witnesses against me, 5) to subpoena witnesses or other evidence (to have someone or something brought to court), and 6) to remain silent-so that I don't make myself sound guilty. I also understand that if I have a hearing and my charge is a delinquent charge, the Judge can only find me guilty if the charge is proven beyond a reasonable doubt; and if my charge is an unruly charge, the Judge can only find me guilty if the charge is proven by clear and convincing proof. I also understand that if I choose to have a hearing and the Judge finds me guilty, I have the right to appeal to the _____ County Circuit Court and the right to a lawyer at that time. I understand that to ask for the appeal, I have to file a notice of appeal with the Juvenile Court Clerk within 10 working days of my hearing.

I want to waive my right to a hearing and enter a guilty plea or no contest. I understand that when I do this, I give up my right to a hearing and the right to appeal the guilty plea. I also understand that if the plea includes an agreement as to the disposition (sentence), I waive the right to appeal the disposition (sentence).

I ask that my plea of guilty or no contest to the charge(s) be accepted by the Judge. I am not under the influence of alcohol or drugs. I have been able to ask questions and understand what I am doing today. I am pleading guilty or no contest of my own free will, and I have not been forced, threatened, or promised anything to do so. I understand by entering the plea, I admit I need treatment and rehabilitation. I understand that if I am not a United States citizen that the plea may affect my immigration or naturalization status.

WRITTEN AGREEMENT FOR PRE-DISPOSITION RISK AND NEEDS ASSESSMENT

Tennessee law requires that you have a risk and needs assessment if you are placed on judicial diversion or found guilty and placed on probation for a delinquent charge. A delinquent charge is a charge that would be a crime if you were an adult.

The assessment is used in making decisions and recommendations about what you will be ordered to do while on probation. It is a tool that measures things in your life where you might need help so that you do not get into further trouble.

The judge may order that the assessment be done before you are placed on judicial diversion, found guilty by the judge, or before anything further happens in court if you, your parent or legal guardian, and attorney (if you have an attorney) agree in writing for you to take the assessment. If you agree to take the assessment, the judge may look at it before any court hearing or trial on your charges.

By signing this document, you are agreeing that you have read this form and have asked questions about anything you do not understand. You have been provided answers so that you understand. You agree to take the assessment before any hearing on your charges.
