

Rule GAW119 – Send Email for New Detention

Apply when: StayLocations database file

Subtask: I

Standard GAWDBObject subtasks:

'C' - on object creation

'R' - before referential integrity

'i'/'I' - before/after insert

'u'/'U' - before/after update

'd'/'D' - before/after delete

Sequence: 2 (Controls the order in which rules will be applied for a given subtask)

Java class:*

Sends an email to the desired parties about a new person being brought into detention.

This rule should only be called after insert or after update of a StayLocations object.

The parties who receive the email are determined by the settings in the 'RULEPARMS' entry of the 'DEFAULTS' table.

Valid properties are:

SendEmailForNewDetention.n=Grouping description
specifies the description that will be associated with this particular set of locations.
n must start at 1 and increment by 1 for each entry specified.

SendEmailForNewDetention.n.loc.m=locationCode
specifies the location codes that are part of grouping n
n must match the entry specified for the location grouping.
m must start at 1 and increment by 1 for each entry specified.

SendEmailForNewDetention.n.email.m=valid email address
this will send an email to the addresses listed for the location grouping.
n must match the entry specified for the location grouping.
m must start at 1 and increment by 1 for each entry specified.

Rule Setup:

Apply when	Sub-task	Seq	JAVA class
<u>StayLocations</u>	I	2	equest.rules.SendEmailForNewDetention
<u>StayLocations</u>	U	2	equest.rules.SendEmailForNewDetention
