# Identity usage report

Report Description:

This is a techy report used by G&W. If you try to delete someone and you can't because the system tells you their name is in use somewhere, you can run this report on the person to determine where their name has been used.

Running the Report:

Enter the ID of the person you wish to audit. The Person id can be found when you do a name search for that person.

The Report:

Identity usage report (audit)	
Allen County	
Caprice A. Ramirez (Person ID: 1869)
