

# New cases over a period

## Report Description:

---

This report will list all cases that opened during the time period. It will allow you to select a specific role and it will tell you if that role was assigned to the case during the time period. For example, if you wanted to see how many cases that opened last month have a GAL assigned, this report will tell you. You can pull this by specific case type.

## Running the Report:

---

Enter the beginning date, ending date and select the case type, if desired. If you leave the case type empty, it will report on all case types. Select the Assigned Role.
