

Person type for other case workers

What it does:

Allows you to specify the person type for other case workers. This is used on various screens, including the history screen.

Adding the table entry

Menu | Tables | Generic Validation Tables | Defaults

Code: OTHERPERSONTYPE

Short description:* COLL

Long description:* Person type for other case workers

Active:* Yes No

Notes:

The short description of this entry should equal the code from the AssignedRole table used to indicate anybody else assigned to a case that you want displayed on the history screen..
