

Agency for probation officers

What it does:

This is used in various reports to identify the agency for probation officers.

Adding the table entry

Menu | Tables | Generic Validation Tables | Defaults

Code: PROBAGENCY

Short description.*

Long description.*

Active.* Yes No

Notes:

The short description of this entry should equal the code from the Agency table used to indicate a probation department agency.

Employer information (for agency employees)

ID number:

Person type:

Agency:

List Requirements Assigned and Supervision Dashboard - if the user doesn't have an agency, we use this as the agency when getting supervision levels.

Adult Probation Quarterly - if probation.agencies aren't defined in the report setup.

Probation Quarterly and Policy Matches - as the probation agency
