

Requirement type for commitments

What it does:

Allows you to specify which requirement type means a probation requirement. This is used in various reports.

Adding the table entry

Menu | Tables | Generic Validation Tables | Defaults

Code: PROBREQUIRETYPE

Short description:* PROB 

Long description:* Requirement type for probation

Active:* Yes No

Notes:

The short description of this entry should equal the requirement type used to indicate probation requirements.

Requirement Types

Select a requirement type to view entries
