

Receipt properties/data

What it does:

This is where you can customize receipts. You can also use the entries from this table in the chart of accounts asset account in case you have two departments using Quest and need the receipts to be different, such as the Clerk receipts and Probation receipts.

```
# NOTE: Receipt properties can also be set in the notes
# for an asset account (cash on hand) so different collecting
# agencies can customize their receipts. The following must
# be specified in the asset notes to override the
# settings here
#receipt.override=Y
```

In the asset account:

```
receipt.override=Y
```

```
# Override county title at top of receipt
title=Lake County Clerk
addressLine.1=Juvenile Division
addressLine.2=3000 93rd Avenue
addressLine.3=Crown Point, IN 46307
addressLine.4=(219) 660-6800
```

```
# Skip printing change due on receipt
# skipChange=<yes/no>
