

# Substance report type

## What it does:

---

Allows you to add the different types of drug testing your county uses. Urinalysis, Breathalyzers, Blood test, etc.

## Adding the table entry

---

Menu | Tables | Generic Validation Tables | ReportType

---

Code: URIN  
Short description:\* Urinalysis  
Long description:\* Urinalysis  
Active:\*  Yes  No

- **Code** – Choose a code. It can be 1-4 characters.
- **Short description** – The short description can be up to 15 characters
- **Long description** – The long description is what the users see, it can be up to 50 characters long.

Click the **Update** button to save your work.
