

Risk assessment summary

Report Description:

This report will look at selected assessment for all children or only currently detained children. It will report information about the assessment, such as overall score, assessment levels, override reasons and notes as well as the incident charges.

Running the Report:

Select if you want to run this report only on children currently detained or if you want to run it on all assessments. Enter the beginning and ending date. Select your assessment type.

Risk Assessment Summary

Enter report criteria and press "Submit"

NOTE: If you specify 'yes' for 'Currently detained', then the start/end dates will be ignored and the newest assessment for each person in a secure location will be reported. If you specify 'no', then all assessments that were done during the specified date range will be reported.

Currently detained only:* Yes No

From date:* 

To date:* 

Sort by date instead of score: Yes No

Assessment type:*

Where the data comes from:

The report is looking at only currently detained children or all children with the specific assessment selected.

The report is listing the date of the assessment, the overall score, notes, and assessment level. It is also listing the incident statutes from the last incident before the assessment date.

In section 2 it is looking at the override reasons and reporting if there was a reason.

Section 3 is looking at the different decisions which are the assessment levels.

Assessment date/time: 9/17/2018 1:42:42 PM
