School corporation

What it does:

Allows you to add the names of school corporations so the different schools can be identified by their school corporation.

Adding the table entry

Menu | Tables | Generic Validation Tables | School

- **Code** – Choose a code. It can be 1-4 characters.
- **Short description** – The short description can be up to 15 characters
- **Long description** – The long description is what the users see, it can be up to 50 characters long.

Click the **Update** button to save your work.
