

Warrants issued statistics

Report Description:

This report will list all the warrants that were issued or closed during a date range. It will produce a report that breaks down these statistics by warrant type, race, sex, age, case type and warrant status. It will provide the details on the people for whom a warrant was issued or closed.

Running the Report:

Enter the beginning and ending date. This will report warrant issued during this date range.

Warrants Issued Statistics

Enter report criteria and press "Submit"

From date:*	<input type="text" value="9/1/2018"/>	
To date:*	<input type="text" value="9/30/2018"/>	

The Report:

This will produce a .pdf and a .csv report.
