

Documents/Docket Entries By Court

[Menu](#) | [Miscellaneous](#) | [Local](#) | [Local Options](#) | [Custom Queries Menu](#)

Report Description:

This query allows you to pull a list of all the specific documents or the specific docket code that was created during the reporting period. You can narrow the results by a specific court and/or a specific case type. This is a wonderful way to find cases where specific documents or docket codes were entered.

Running the Report:

Select the date range you wish to view.

Select the template or docket code you wish to view

Select the court or case type if desired.

Documents/Docket Entries By Court

Enter selection criteria and press submit.
