

# FACILITY COUNTS

This area gives you a snapshot view of how many people are currently in each location.

The locations can be set up with a “location group”. This list reports the totals of each location group.

You can set up a rule to send an email to specific people about detention counts exceeding a certain number.

## FROM THE MENU: Detention, Facility Counts

### List Facility Counts

| Location   | Secure | Capacity                                  | Count |
|--|--------|---|-------|
| FYI  | No     |   | 1     |
| Marion County Jail w/Juvenile Hold                 | No     |   | 13    |
