## Get from another

The GET FROM ANOTHER button is extremely helpful if you are adding an incident to the system for a co-offender. If that incident is exactly the same for both people, you can click Get from another to copy the incident.

Click on the Get person name, do a name search on the person who already has an incident in the system that you wish to copy. Click that person's name.

Copy Incident  
Kevin Smith (File# 11)

Person to copy from:

© 2001-2013 Gontlieb & Wertz, Inc.

The system will display all incidents for this person. Click the one you wish to copy.

Copy Incident  
Kevin Smith (File# 11)

Person to copy from: **Baby Jones**

Incident to copy from:  11/4/2013 8:00 AM - Paper Referral referred by Benton County Sheriff's Department  
 9/4/2013 2:00:28 PM - Referred by DCS referred by Department of Children Services

Click on the UPDATE button or press ALT+U to save your changes.

## Adding a new incident:

- **Incident date/time:** The date and time the incident took place.
- **Case Number:** The case this incident should be linked to.
- **Incident Type:** Select the appropriate type.
- **Referring Agency:** Select the appropriate agency.
- **Location:** Where did this incident take place?
- **Geocode:** Certain area of the city, if applicable.
- **Incident ID:** The Police Report or Citation Number.
- **Blood alcohol content:** If the person was arrested for an alcohol related offense and law enforcement performed a field sobriety test and the results are on the police report, please put them here.
- **Notes:** Any notes about this incident if necessary.
- **Officer ID:** If the Officer has a User ID, you can type that in this field, otherwise click on GET OFFICER NAME and do a name search. If you don't find the officer, you will need to add them to the system. [Adding a person to Quest](#)
- **Agency:** If you have the Officer ID, you can skip this field. If you did a GET OFFICER NAME, you will need to indicate what agency the person works for.
- **Officer Role:** Make the appropriate selection regarding the officer's role in this incident.
