Report Description:

This query produces a series of photos of people with similar characteristics to the file number entered.

Running the Report:

Police Photo Lineup

Enter selection criteria and press submit (file nbr and date will turn black).
Click on a photo if you don't want it to appear when you print.
Click on it again to make it appear.

Must enter the file number of the person who has to be included in the lineup.

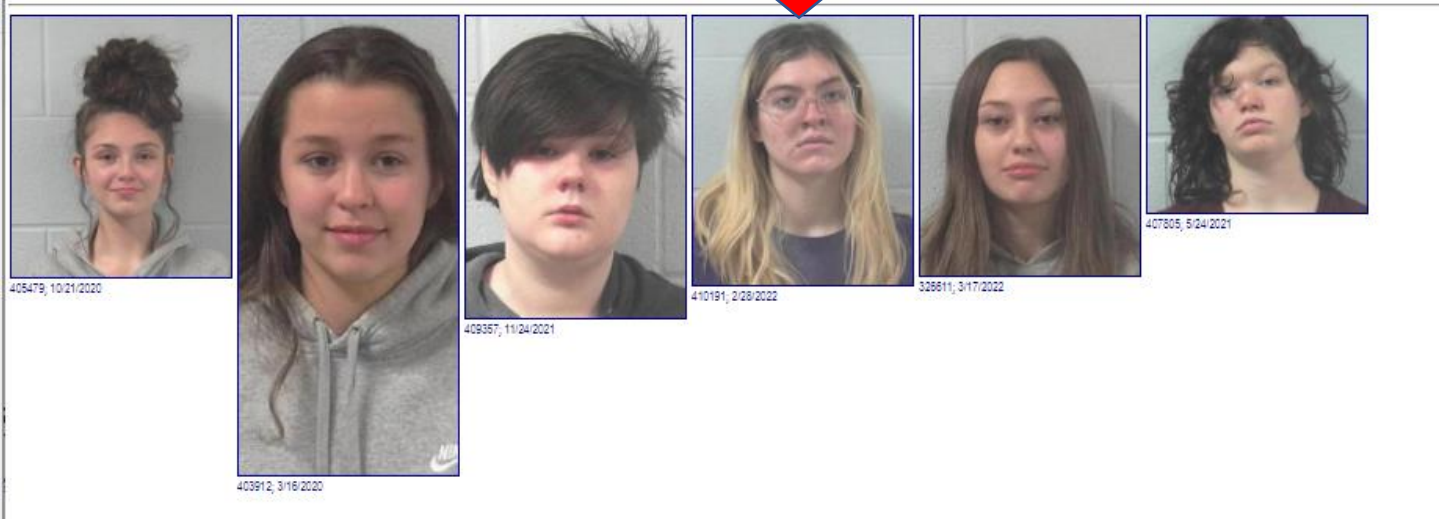

| Description | | |
|--|--|---|
| File nbr to include:* 326611 | Maximum number of photos to show:* <input type="text" value="20"/> | |
| Plus/Minus age (0 = don't match on age): <input type="text" value="1"/> | Plus/Minus height (0 = don't match on height): <input type="text" value="2"/> | Plus/Minus weight (0 = don't match on weight): <input type="text" value="20"/> |
| <input checked="" type="checkbox"/> Match race | <input checked="" type="checkbox"/> Match sex | <input checked="" type="checkbox"/> Match hair color |
| <input checked="" type="checkbox"/> Match eye color | | |
| <input type="button" value="Submit"/> <input type="button" value="Select results for copy/paste"/> | | |

- **File nbr to include:** Enter the file number of your primary person. This person will be included in the lineup along with others who have similar features to this person.
- **Maximum number of photos to show:** Type the number of photos you wish to be included in the lineup. You can change this number if you need more photos.
- **Plus/Minum age:** This is the number of years difference to your primary person. 0=don't match on age. 1=1 year difference, 2=2 year difference, etc.
- **Plus/Minus height:** 0=don't match on height, 1=1", 2=2", etc.
- **Plus/Minus weight:** 0=don't match on weight, 10=10 pounds, 20=20 pounds, etc.
- **Match race:** If selected it will match race
- **Match sex:** If selected it will match sex
- **Match hair color:** If selected it will match hair color
- **Match eye color:** If selected it will match eye color.

Click the **Submit** button to see the photos found.

Line up will appear. Taking standardized photos will also help. The results of this rely on you updating the identifying information on children in the system.

Hair color: Eye color: Height (feet/inches): / Weight:

If you want to remove a photo from the lineup, simply click the picture and when you print, those photos selected will not be included. When you print page one is the identifying information. The line up will be on the next pages. If you want more photos per page, adjust your web browser zoom feature.

The Select results for copy/paste will not output the pictures. You must right click and print.
