

PHYSICAL IDENTIFIERS:

Physical identifiers are unique markings on a person that can be used to identify them. This can include glasses, scars, tattoos, missing limbs, etc. These should be permanent identifiers, not temporary identifiers such as “a black eye.”

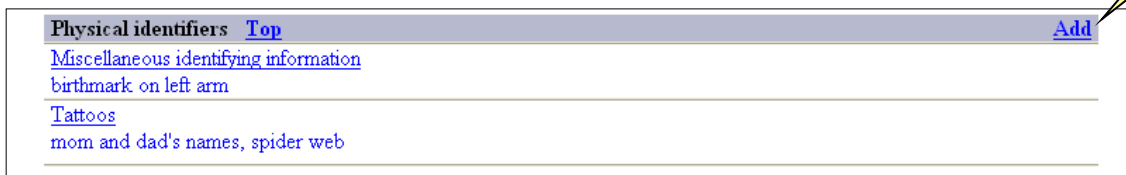

FROM THE MENU: Person, Physical Identifiers

List physical identifiers
Sannita Guadalupe Coil (File# 301162)

Identifier type	Notes
Add a new physical identifier	
Contacts	
Miscellaneous identifying information	Navel pierced

FROM THE PERSON DETAIL SCREEN:
